

Old Town

The old town is home to Bocholt's established town centre. It is a place of identification and living space for the population. People meet here at the popular weekly market or arrange to meet for lunch at the Gasthausplatz. Numerous cafés, ice cream parlours and restaurants invite you to linger around the historic town hall. The old town has a unique selling point: a dense network of highly attractive owner-operated retailers that make Bocholt the shopping city of the region.
