

Cemetery

The final resting place in Bocholt

The Bocholt cemetery on Blücherstraße is a unique place. **It is one of the most beautiful cemeteries in Germany.**

The spacious and well-maintained grounds offer a peaceful and friendly ambience. A variety of trees, shrubs and flowering plants, combined with the singing of native bird species, allow for positive thoughts and inner contemplation.

The listed cemetery invites you to linger, especially in difficult hours, and creates a dignified setting for loving remembrance.
