Akan Üstüngör

Hello, my name is Akan Üstüngör and I have been working for L-i-A e.V. as a neighbourhood worker in Hochfeld-Süd since March 2021 and in the city centre since January 2023.

The tasks in the aforementioned neighbourhoods are very different because diverse people live here: Old and young, families and single parents, Germans and families with international family histories. The tasks inspire me because I see new faces and meet new people every day.

It is important to me that people identify with their neighbourhoods. For this goal, we work on site with the actors and different people and organise events, courses and many different offers, such as senior afternoons, outdoor games, German courses, exercise and health courses.

In addition, I provide individual assistance in the neighbourhoods, e.g. filling out forms, accompanying people to various institutions/authorities, support in preparing CVs, organising interpreters and informing people about municipal services.

I am looking forward to your ideas, projects and our cooperation. Contact me directly or come by.

You can find me on Tuesdays and Thursdays from 3 to 5 p.m. in the Hochfeld-Süd neighbourhood, Am Lönsstadion 1, (on the grounds of VfL 45).

You can find all information about our offers on our [homepage](#).
