

STADTRADELN: Wrench workshop for adults

Free workshop for adults on 16 May in cooperation with ROSE Bikes

© Stadt Bocholt

Tools on a workbench

As part of the CITY **CYCLING** campaign, the city of Bocholt and ROSE Bikes are organising a workshop where you can learn how to repair and adjust your bike from the bike professionals at ROSE Bikes.

The CITY CYCLING campaign runs from 1 to 21 May 2024 and summer is already in the starting blocks. So now is the time to get your bike back in shape so that nothing stands in the way of safe cycling tours!

A workshop for all cyclists will therefore take place on **16 May** between **17:00 and 19:00**. The experts from ROSE will be demonstrating how to patch tyres, adjust the bike with the right screws and repair it in their workshop in Biketown Bocholt.

The workshop is free of charge for participants.

The number of participants is limited, so registration is required at:
