"Company of the Year 2022": And the winner is... **BENNING Elektrotechnik und Elektronik GmbH & Co. KG**

Every 2 years, the "Company of the Year" prize worth 5,000 euros is awarded to a Bocholt company. This prize is intended to give recognition to the company in question for exceptional entrepreneurial achievements and responsibility in the city of Bocholt. The successes of committed companies and entrepreneurial personalities are to be popularised in this way in order to provide impulses for further innovations and investments in Bocholt and the region. The aim is to promote the location and employment in Bocholt.

The prize was initiated and has been organised by the Stadtparkasse Bocholt since 1996.

With the "Company of the Year 2012" award, the Wirtschaftsförderungs- und Stadtmarketing Gesellschaft Bocholt mbH & Co. KG was asked for the first time to take over the organisation of the selection of the company to be honoured and also the implementation and conception of the festive event. In this context, the award criteria were revised. The Entrepreneur Award continues to be sponsored by the Stadtparkasse Bocholt.

— The price

Start: first in 1996

Rhythm: biennial, awarded in the following year

Endowment: € 5,000

The award winner undertakes to use this amount

- a.) for the further training of its employees or
