Experience Bocholt with the Segway

Public Segway tours bookable at the Tourist-Info Bocholt

Discover Bocholt in a different way...without a bike and without a strenuous walk!

The public Segway tours around Bocholt take you through the city, into the countryside and to the Aasee lake with an experienced guide.

After a briefing and a test ride on Berliner Platz, the tour starts through Bocholt. Past the Mariengymnasium, along the Bocholter Aa and past the Protestant Christuskirche church, the Segway tour takes you along low-traffic roads to the city forest. The participants then head towards the Hohenhorster Berge past the Bocholter Aasee lake to the podium bridge at the LWL-Museum Textilwerk in the kubaai cultural quarter. The city tour then ends back at the starting point on Berliner Platz.

A short break is planned at Aasee, where those who wish can fortify themselves for the onward journey.

Meeting point: Berliner Platz, 46395 Bocholt
