

Professionals

The shortage of skilled workers throughout Germany poses major challenges for companies. To help you in your search for the right skilled workers, we would like to draw your attention to various projects and event formats that have become established in and around Bocholt.

The welcome box for Bocholt companies - convince your dream candidate about Bocholt

© Wirtschaftsförderung Bocholt

With the welcome box, you give your desired candidate or your new manager, your new employee who is not from Bocholt, the most important information about the location, give a first impression of the lifestyle and possibly make it easier for him or her to choose a change of location or to settle in at the new home.

Notify us briefly by e-mail or telephone if you would like to order a welcome box for your company - the service is free of charge for you.
