 [Culture pass: Your budget for culture](#)

*With the Kulturpass app, access is a breeze.*

The Kulturpass is an initiative of the German Bundestag, together with the Minister of State for Culture and Media Claudia Roth and the Minister of Finance Christian Lindner. The aim is to **get young people interested in culture** and to **support local cultural organisations**.

Are you turning 18 this year? Then simply secure a budget of 200 euros with the Culture Pass. With this budget, you can enjoy a wide range of cultural activities such as cinema, museums, concerts, theatre or books and support local cultural providers at the same time. Simply download the Kulturpass app on your mobile phone and find cultural offers in your area.
