

WattExtra open air concert on 6 September at the Bahia

Attention Depeche Mode fans and fans of the popular Bahia open-air concerts: On Saturday, 6 September 2025, a concert will once again take place in the familiar atmospheric setting of the Bahia outdoor pool area. REMODE - THE Depeche Mode tribute band - will thrill visitors. Six'n One Beats will once again be the opening act. The concert starts at 7 pm, admission from 6 pm.

Depeche Mode are giants of synth-pop whose live energy is hard to match. With their live shows, however, REMODE from Bielefeld manage to do more than just cover their role models. With their engaging stage presence and captivating authenticity, they tickle the emotions out of their audience that are otherwise only known from the original. Even the most critical Depeche Mode ultras stand in front of the stage at the end of a REMODE live show with their mouths open and become part of an ever-growing fan base.

REMODE's concerts are lavishly designed and thrilling rock shows. Visuals flicker across the LED wall to match the music and the band delivers a raw live show. Of course, none of the big Depeche Mode hits are missing from the setlist: from "People Are People", "Personal Jesus" and "Wrong" to "Just Can't Get Enough" and "Enjoy The Silence", no wish goes unheard.

Not only die-hard Depeche Mode fans are guaranteed to get their money's worth at REMODE concerts. Every music fan who loves energetic live music will have fun here.

"We are delighted to have REMODE on board for this concert series. It will be another very special evening", says Gisela Bollmann from City Marketing.
